### Wounded Wings

By Selena

Year 4

Baffled. Disconcerted. My throbbing brain  
aches struggling to comprehend why you hate.  
We are all odd socks, unique unicorns  
Same matter, yet adorned in different  
uniforms.

Excluded. Secluded. Trapped in an airless  
cage  
Suffocating like a captured elephant seething  
with rage  
Would politeness be so hard, please let's be  
kind!  
Does a paved road not need both its sides?

If we came together, imagine the joy that  
brings  
Bullying destroys, its hurts, its stings  
But really we are equals, natural queens and  
kings  
Let's sew broken hearts back together to  
mend wounded wings.
