## Basketball Link With Eaton House

In June 2025, Basketball Club Eaton House visited for a session of friendly games. Great fun was had by all, and new friends made. The games were played in a half court format with all club players getting a chance to experience a fixture style event.

The Years 3 & 4 results were a draw, with wins, draws and losses to both BWA and Eaton House. Years 5 & 6 were a win for BWA with our strongest team not losing a game. We hope to make this a regular event that continues throughout the year.
