

Dear Parents and Carers,

We have had a fantastic week of learning across the school, with our pupils showing great enthusiasm and focus in and out of the classroom. We have organised not one, but two terrific Sports Days. A huge thank you to Mr Hennessy, our PE teacher for organising both events so brilliantly, and to all of you who came along to cheer on the children — your support makes all the difference.

On Thursday evening, we were treated to a wonderful Art Exhibition, beautifully organised by our PTA. The creativity on display was outstanding, and it was lovely to see so many parents come together to celebrate the children's work. Thank you to Mrs Hatcher for teaching our pupils Art this year.

To top it all off, we ended the week with an extraordinary visit from author David Walliams, which absolutely delighted the children (and staff!). His visit will inspire many of our pupils to put pen to paper and dive into their imaginations — a perfect way to round off a busy week.

Congratulations to our Excellent Learners and CARE Value award winners this week.

Looking ahead, next week is forecast to be hot, so please ensure your child comes to school in their summer school uniform and brings a water bottle to stay hydrated.

Lastly, a gentle reminder that all pupils should be in school until the end of term. Every day matters, and we want to ensure the term finishes on a high for everyone.

Thank you, as always, for your continued support.

Kind regards

Miss Henry
