Years 3 & 4 Rugby Festival

In conjunction with the England Rugby Team doing so well in the Rugby World Cup, pupils from Years 3 and 4 took advantage of a rugby festival at Rosslyn Park Rugby Club.

Fantastic coaches from the RFU helped pupils enhance their performance of rugby related skills as well as their understanding of the rules and tactics related to the sport. They also had the chance to learn the importance of the core values associated with rugby, including teamwork, respect, enjoyment, discipline and sportsmanship.

All our pupils took on this opportunity with a fantastic attitude and thoroughly enjoyed the experience. For some of our pupils, this their first experience of rugby and we hope that it will inspire them and others to take up the sport in the future.
