

Belleville Wix Academy

Sports Area - Summer Transformation

We are delighted to be in the position to share a special video showing the transformation of our sports area over the summer holidays, fully funded by our amazing BWA PTA.

<https://vimeo.com/461132375>

I am sure you will join me in thanking the whole school community for their support of our PTA over a number of years to fundraise for this phenomenal multi-sports surface. Something many generations of BWA pupils will enjoy using to keep fit and help them develop a lifelong love of playing sport.

Special thanks must go to Alice, Stephanie, Crystal, past PTA members and Friends of Wix, for the significant amount of time and energy they put into organising many successful fundraising events.

It has been a privilege to have had the opportunity to work with the staff team and PTA on this special project. We spent time researching the various surface options to ensure we selected one that suited our needs and after that we focused on the markings needed so we could use area for many sports.

We hope you enjoy watching the video of the transformation and that one day soon you will get to see it for yourself.

Miss Henry
