## Year 2 Art – Spring 2024

During National Shakespeare Week, pupils in Year 2 worked with our resident artists on a special art project. Pupils looked at the proportions of a face, colour mixing and blending techniques in oil pastels to create fantastic portraits of William Shakespeare. They also used mixed media such as paper and doilies for the top half of the body, as well ink. Year 2 were thoroughly engaged at every step of the process and absolutely loved their brilliant historical portraits.
