4B Art: 24th April, 2024

4B investigated the work of William Morris for their art project to help them produce their own clay sculpture inspired by nature.

Morris was an English artist who was part of the Arts and Crafts movement. His work can be found in Walthamstow and in the V&A museum.

4B began by exploring shapes found in nature, practicing to sketch and model them in clay. Then they selected their favourite nature design and created a final clay tile sculpture.
