April TCS Mini Marathon

After the success of the TCS Mini Marathon in October last year, 30 of our students participated in the April version of the event as the London Marathon went back to its normal time. Our students ranged from Reception up to Year 6, 20 of whom ran in the 1 mile race with the other 10 running in the 2.6km event.

The course started just outside the Horse Guards Parade, wound its way around St. James's Park and finished down The Mall in front of Buckingham Palace.

We were so proud of our competitors and want to thank their wonderful parents and carers who got them to the event. An even bigger thank you needs to go to those that completed the course with their child! Great job BWA.
