The Natural History Museum  
Friday 13th October 2023

Year 2 pupils had a wonderful time at the Natural History Museum, where we took part in an immersive workshop on Oceans' habitats. We use our expert scientific knowledge as we were submerged deep into the ocean layers, to learn about habitats and plastic pollution.

After the show and a delicious lunch, we enjoyed walking around the Creepy Crawlies' gallery, where we consolidated our learning on food chains, vertebrates and invertebrates.
