Year 3's World Book Day

This week Year 3 have been celebrating World Book Day by learning about the amazing work of author and illustrator Christian Robinson.

On Thursday, the class used the ideas from Christian Andersons writing and illustrations to create their own piece of work to promote a book of their choice. The class used a variety of mediums such as posters and book trailers to persuade others to read their book!

Year 3 also enjoyed dressing up as their favourite book characters for their online lessons! We were joined by Fantastic Mr Fox, Harry Potter, A Mummy and Little Red Riding Hood! Even the Key Stage 2 teachers enjoyed dressing up as 'The day the crayons quit'!
