## Year 5 Trip to Camden Career Conference

Children from Year 5 were invited to take part as a 'Careers Champion' at the *Children's Primary Careers Conference* at The Place, Kings Cross.

This was a very exciting opportunity for the pupils to meet people from different industries, think about aspiring professions, and to help the school develop our own careers event.

The children were encouraged to try new things such as performing, technical support and scientific experiments. We had a great time as you can tell from the smiles in our pictures.
