## Year 4 Remembrance Day

On the 11<sup>th</sup> November, Year 4 made sure to remember the service men who served and lost their lives during World War II on the 102<sup>nd</sup> Armistice Day. A 2 minute silence was observed at Ilam and during our art lesson we created some poppies to be displayed outside of the classroom. We used small squares of different coloured green and red card to create a mosaic poppy affect. Don't they look fantastic!
