

Dear Parents and Carers,

As we approach the end of this extraordinary academic year rapidly, I would like to inform you of the class teacher arrangements for the year ahead.

So many of our pupils are not back at school which means they are unable to meet their teacher for next year, face to face. To get around this issue, the teacher will be recording a special message for their new class which will be sent out later in the week. We hope that you enjoy watching this with your child and that it eases any anxiety that may exist about next year. We will also offer a call with the new teacher for any child feeling anxious just before we return on 7th of September. Teachers will have a thorough handover with the next teacher this week as well.

In September, we are delighted to be welcoming new staff to our team.

- Miss Ward will join our outstanding EYFS team as an NQT.
- Miss Stevenson will join our excellent KS2 team as an NQT.
- Miss Gordon is an experienced teacher and joins our super KS1 team.
- Mr Millington isn't new to any of us and I am sure you will join me in wishing him a great start to his role as a teacher at BWA, where he has trained.

As a school we are dedicated to developing our staff team so we are delighted that Ms Mieville, who has been our wonderful French teacher for a few years, is starting her teacher training with us at BWA.

Yours sincerely

Séana Henry
